Dear Mentor,

Greetings from IIT Bombay!!!

As you are aware, the first offering of two-part AICTE approved Faculty Development Programme (FDP101x and FDP201x) had garnered sustained and enthusiastic participation from faculty across the country. Thanks to your support, we have seen an overall completion rate of "39" %(with FDP101x having "71" % and FDP201x having "56" %). We were also able to generate "1097" OERs by the end of these courses.

We are now in the process of disbursing the honorarium (Rs 6000 per course that you have done mentorship) to the mentors as a token of our appreciation for the mentorship effort. We will be using the account numbers that you have provided to us during the last FDP to transfer the honorarium. If there are any changes to this account number, we kindly request you to urgently get in touch with our accounts team copied in this email. The transfers will be initiated on 15th March morning, hence we request you to provide the corrections on or before 14th March (tomorrow).

Thanks and Regards
