Dear Dr. Kompalli,

In view of your expertise in the field, your name has been recommended as a potential reviewer for the manuscript entitled "Investigation of Potential Drug Types and Chemical Fragments Using Data Mining Techniques for Various Diseases" that has been submitted for publication in *Current Computer-Aided Drug Design*. Please review the abstract if it comes in your field of expertise and provide us your willingness to review the complete manuscript. I hope that you will be able to help us.

I would appreciate if you could kindly respond to this message at your earliest. Since we are endeavoring to provide an efficient review process for our authors, we would request that send your comments and recommendations back to us as soon as possible.

In addition we would like to propose your name, as a reviewer, to the Reviewer Panel for other Bentham journal relevant to your field of expertise. The BSP Reviewer Portal will offer reviewers the following discounts on BSP services:

- Free eBook of their Choice on completion of two reviews
- 50% Fee Waiver on Quick Track rates on completion of 3 reviews
- 40% discount on Open Access Plus rates on completion of 4 reviews

As a member of our Reviewer panel, you would be expected to review a maximum of 3 articles every year.

Please let us know if becoming a part of our Reviewer Panel is of interest to you.

Thank you for your consideration.
