Dear KHASIM KNV,

Welcome to IEEE. Attached is your 2019 graduate student membership card. We hope that your IEEE experience will be rewarding for years to come.

You are also now a member of the IEEE Student Branch at your institution, if one has been established. There, you can form productive relationships, compete in exciting challenges, and develop important leadership skills. As a graduate student member, you are also eligible to vote in the annual IEEE elections.

At your local IEEE Section, you can connect with industry professionals who can provide valuable insights into the current job environment. Find your local Section contacts in myIEEE at www.ieee.org/myIEEE.

In addition, be sure to join the IEEE Membership Forum community in IEEE Collabratec™ - an integrated online community where technology professionals can network, collaborate, and create - all in one central hub. Visit ieee-collabratec.ieee.org.

Last, create your Technical Interest Profile at www.ieee.org/profile. Here you can also update your professional and education information, as well as manage communication preferences.

Enclosed are recommendations on how to get the most from your membership. Thank you for choosing IEEE as your technical professional organization - and for making an investment in your future.

Sincerely,

C. Jankowski
